STANDING ROCK KIDS TECH CAMP 2026
"WĀHKŌHTOWIN IN ACTION!"

20TH ANNIVERSARY CELEBRATION!
(JULY 27 – AUGUST 21, 2026)

StandingRock KIDS Foundation is proud to extend you an invitation to be a part of our 20th Anniversary KIDS Tech Camp 2026!

For 20 FUN years, our camps have offered hands-on opportunities for Indigenous youth to explore computers, creativity, problem-solving, and technology in ways that build confidence, curiosity, and connection.

This year's Spirit is "WÂHKÔHTOWIN IN ACTION!"

... What makes our KIDS Tech Camp 2026 experience unique is our focus and delivery of **Youths attending alongside an Elder family member** (Nimosim, Nokum, auntie, uncle, parent, or any other supportive adult) to experience the full week of Camp activities, side-by-side! With this **Inter-generational model** in mind, both Young & Old Generations will get to Explore, Learn, and "Level-Up" Together, in a FUN, inclusive environment!

OUR MISSION & VISION...

"TO TARGET THAT CREATIVE & INTELLECTUAL SPARK THE HUMAN SPIRIT CARRIES, ADVANCE THEIR INSPIRATION, AND DELIVER FUN, ENGAGING ASPECTS OF CUTTING-EDGE STEM INNOVATIONS TO OUR FUTURE TECHNOLOGY LEADERS!"

-SRI KIDS Foundation 2026

SPONSORSHIP BENEFITS

At StandingRock KIDS Foundation, we aim to provide all 110+ participants & staff with a positive camp experience in a safe environment, without financial barriers. As with previous years, our GOAL is to raise enough funds through multiple Partnerships, Sponsorships & Donations to provide the Camp FREE to all Registrants! ... and Proudly report we have achieved this Goal EVERY YEAR!

This Year's Funding Goal is \$104,000!

With your generous support of the StandingRock KIDS Tech Camp 2026, Sponsors will not only receive high-visibility brand recognition across all events & presentations, you will also invest in ...

- **Building Confidence** in our Young & Elder Generation participants by helping us provide our hands-on personal & Environmental Technology experiences!
- **Focusing on FUN & ENGAGING aspects** of Computers & STEM & Cool Enviro-Tech, GIS Systems, New Tech/Cultural Tech, Artificial Intelligence,... whatever we can fit into our schedule!
- **Proudly incorporate our Cree Culture** with onsite Elder & Smudge that helps create a calm, respectful, and supportive atmosphere and for all our kids.
- **Support Local Mentorship & Employment** as our Camps hire community members to join as Camp Counsellors, Team Leaders, Elders, Cooks, Bus Drivers, Administrators, Presenters.... And more!
